**HUMICLIMA
JUMEIRAH
PORT SOLLER
HOTEL & SPA**

Jumeirah Port Soller Hotel & Spa has 120 luxury suites, all with a terrace or balcony facing the Mediterranean Sea.

Among its installations we can enhance its two pools, the library, the spa & wellness center, also a gym and an aesthetic center, the banquet hall and the conference hall.

Humiclíma has been the Company in charge of installing the HVAC System, the Plumbing besides the BMS, the Fire Extinguishing System along with some others.

HUMICLIMA JUMEIRAH PORT SOLLER HOTEL & SPA

Any equipment installed has to lead to an efficient provision, being also economically viable apart from low energy-consuming.
